HEALTHY DISCIPLESHIP

# 2019 **IMPACT REPORT**

Jesus is transforming the lives of leaders like you all over the world through the ministry of Emotionally Healthy Discipleship.

We want to share with you **a few highlights from the tremendous growth** we've experienced in 2019 and invite you to continue to partner with us in this global discipleship movement!

# **2019 IMPACT REPORT**

## **790 EHD Partner Churches**

## **TRAINING PASTORS & LEADERS TO CREATE IN A NEW CHURCH CULTURE**

**Over 790 churches** are in position to run the Emotionally Healthy Discipleship Course in their churches.

**Our Level 1 training, “Mastering the Launch of the EH Discipleship Course,” is now available on demand.** This helps leaders more readily access the tools they need – from anywhere in the world – to successfully launch the EHD course in their churches.

We are currently developing a Level 2 on-line training to equip church leaders in the long-term integration of EHD in their church. Level 2 is scheduled to be filmed Fall 2020.

# ***INTRODUCING LEADERS TO THE CULTURE OF EHD***

## **2019 IMPACT REPORT**

**The EH Leader Podcast continues to explode** with new pastors and church leaders listening each month. We are on track to reach **1,400,000 downloads** by the end of 2019, a **25% increase from last year**. Many of these listeners are discovering the message of EHD for the first time!

Additionally, we launched our **EH Leadership ONE DAY experiences** (in NYC and Nashville) where leaders could “taste and see” a new kind of culture and catch a vision for what could be possible in their own church. **In Spring 2020, we will serve both the East Coast and West Coast** with EH Leadership One Day experiences held at New Life Fellowship, Queens NY and Mariners Church, Irvine CA.

In a new **YouTube series** launched this year, Pete Scazzero takes a 2-6 minute look to answer burning questions faced by Pastors and Church Leaders. Stay tuned for more in 2020.

## **2019 IMPACT REPORT**

# ***MENTORING THE NEXT GENERATION***

**Pete and Geri continue to invest in mentoring next generation pastors.** They mentored 16 New York City metro next-generation pastors leading them in a "Leader's Version" of the Emotionally Healthy Spirituality Course, digging deep into their lives and their leadership. And Pete continues to meet regularly with key pastors nationally and internationally.

**We are exploring creative ways to maximize Pete and Geri's mentoring for 2020-2021** both in our selection process (we have many requests) and in how to most strategically do life-on-life transformation with these pastors and leaders.

## ***SERVING THE GLOBAL CHURCH***

We are preparing now to launch **The EH Discipleship Course Leader's Kit to 440 million Spanish speakers** in 2020 along with translating our website, trainings, and support resources into Spanish for this launch.

**In 2020, EH Discipleship ministry will provide seed funds to support the printing of the EH Discipleship Course in Ghana, West Africa.** Ghana has been pioneering the Course, but without printed materials. With 630 million Christians, more than any other continent in the world, our Point Person in Ghana, says: *"Christianity in Africa is one mile long but only one-inch deep. EHD brings a theology of grief, suffering, loving union, silence and solitude, emotions and takes us into deep, heart transformation so that we can make deeply changed disciples and lead in global missions."*

We're excited for all God is doing and will do as we look towards 2020!

**We invite YOU to help more leaders experience real transformation. Through your prayers and financial gifts, we can continue to resource leaders nationally and internationally.**

**DONATE NOW at [emotionallyhealthy.org/give](https://emotionallyhealthy.org/give)**

*Thank you for partnering with us on the journey!*  
*- Pete Scazzero*
